The great thing about Echoing Hills is that there is a place for everyone to **belong**. Whether you are an individual served, family member, team member, volunteer, or donor, God has a purpose and plan for each of us. It takes everyone to continue revolutionizing lives.

In 2023, we came together to increase opportunities for those we serve. Individuals enjoyed adventuring out – traveling around the country to places like Disney, South Carolina, and Pennsylvania; getting out in their own backyards – visiting amusement parks, sporting events, and fairs; and volunteering at churches, food banks, and domestic violence shelters. All things that show they belong wherever they would like to go.

No matter your role, thank you for your commitment to Echoing Hills! We **still** depend on YOU as we inspire hope and celebrate life.

God Bless You,
Timothy D. Newell
President & CEO
