

Dear Campers,

As COVID-19 continues to be a risk, we have decided to modify our services to safely serve our campers. We have established guidelines and modifications with our local health department's help while also seeking guidance from the Ohio Department of Health, Department of Developmental Disabilities, and the American Camping Association based on what we know today. We can almost guarantee that plans will change as guidance continues to evolve due to the virus. We ask you to be patient and prayerful with a heart to extend grace as our leadership team continues to make these decisions. As new and pertinent information becomes available, we will be sure to communicate it timely and accordingly.

The safety of all Camp Echoing Hills participants is paramount. To safely care for our campers, we have decided to set the following criteria for camp this summer. Unfortunately, we will be unable to serve participants at this time who demonstrate one or more of the following:

- Participants unable to stay with their group
- Requires services less than 4:1
- Participants unable to wear a mask or maintain safe social distancing
- Certain health conditions
 - o Immunocompromising conditions (ex: HIV, cancer, post-transplant, prednisone treatment, etc.)
 - o Participants with tracheostomies
 - o Participants that typically attend our "Encounter Camp" week
 - o Participants that demonstrate inappropriate behaviors that could cause harm to another individual
 - o Severe self-injurious behavior
 - o Refusal to participate in programming
 - o Participants requiring oxygen

Please note, Camp Echoing Hills will not be accepting new campers for this summer.

Camp Echoing Hills will also require all participants to have their medications pre-packaged by a pharmacy. Medication guidelines are included with this packet.

Again, please note that program dates are subject to cancellation if directed by state and local officials. If a cancellation is necessary, Camp Echoing Hills will notify families.

We look forward to a safe and exciting Summer Camp Season! For any questions regarding camp, please contact the camp staff directly. Our phone number is **740.327.0300**. You can reach one of the following:
