

Echoing Hills' Team State Recognized

Out of ten award categories recognized by the Ohio Provider Resource Association, the Echoing Hills Team won three awards! These awards recognize those who have worked extraordinarily hard to help support the people we serve. Congratulations to OUR Stars!

Behind the Scenes Award
Heather Woolum, HR Generalist

Direct Support Professional Award
Madison Jackson, DSP

Volunteer of the Year Award
Lacey Richcreek

Camp Echoing Hills serves up to 340 individuals every summer during its 7-week season. In 2020, we canceled our traditional Camp due to the virus. To adapt, we created our "A Day at Camp" program. This program allowed individuals from group homes and adult day services to come on-site for four hours to participate in a mini-camp experience. Campers had the opportunity to enjoy such things as a hayride, dinner over a campfire, crafts, and s'mores. We were able to see campers from years before and meet new campers as well!

Echoing Hills Annual Report 2020

ECHOING HILLS

2020 taught us all the value of life and how it should be treasured and celebrated! Although we 'Stood FIRM Together' as a ministry, we didn't go untouched through this pandemic. We still grieve today for those we lost. While we said goodbye to friends, we were still reminded of the wonders of God and His miraculous ways. And that there are angels all around us – the front line team who give of themselves each and every day as well as our trusted partners who not only give of their treasure but of their time. Time spent sending cards, letters, and digital touches to remind those we serve how much they are loved. It brought such light to every day! And most importantly, for those who spent countless hours praying for all of Echoing Hills' protection. God bless all of you – we couldn't have done 2020 without you!

Fundraising 105,113 (1%)

Total Income 34,061,784

Ending Net Assets 22,413,322

MISSION:

We are committed to Revolutionizing Lives where people live, learn, connect, play and worship.

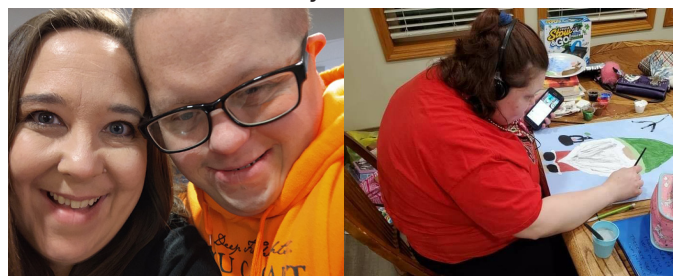

OUR PURPOSE:

Creating opportunities for individuals with disabilities to know and experience Jesus Christ.

Community Living provides services for 230 individuals, providing opportunities to live together in a supported environment. Integration into the community is crucial to the physical, emotional, mental, and spiritual health of those we support. We created safe experiences through such activities as hiking, fishing, picnics, trips to the zoo, and even private movie showings thanks to local theaters. We also utilized technology to stay connected to family, friends, and our communities.

Echoing Connections offers day programming, serving several individuals every week. In response to the pandemic, we put safety measures in place to allow small groups the opportunity to continue to come and participate in person. We also created virtual opportunities such as our paint with me events and delivered arts and crafts supplies to individuals. These events allowed for participation in the comfort and safety of one's home.

EchoingU provides post-secondary programming designed to prepare individuals for the workforce and college. With so many individuals relying on this program, it was imperative to keep it going. We sprang into action to create virtual classrooms. These environments allowed learning to continue and, in some cases, generated greater participation from the individuals that utilize EchoingU.
