

**Camp Echoing Hills** Camp returned! Close to 120 campers joined us for a summer of fun, laughter, and memories. The smaller camp size (due to COVID precautions) created a more tailored experience for the camper. It also created additional opportunities to build relationships. After one week of camp, one individual shared that her counselor was, "my hero." We witnessed individuals swim, fish, lead prayer during devotion, and more!

**EchoingU** Team members met with the individuals they serve to solicit feedback on new programming opportunities. Based on responses gathered, new options are now available. Daily choices include learning more about the Bible, cooking, exercising, playing, socializing, and learning about different cultures. Talk about even more choices for those we serve!

# Echoing Hills Annual Report 2021

At Echoing Hills, 2021 was a year filled with HOPE and possibilities. It was a time for fun and adventure while safely reconnecting with family and friends. Our Community Living, Education, and Adult Service Programs were back out, rediscovering their interests within the greater community. Friends came together at Camp for the first time in two years, and parents received a much-needed respite. 2021 was a year of blessing and restoration – thanks to our Lord Jesus!

## MISSION:

We are committed to Revolutionizing Lives where people live, learn, connect, play and worship.

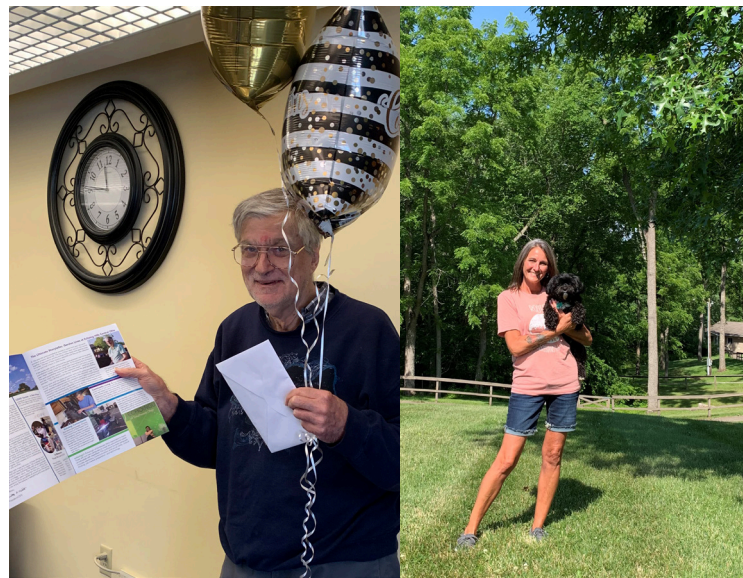

## OUR PURPOSE:

Creating opportunities for individuals with disabilities to know and experience Jesus Christ.

**Community Living** Gordon is an avid writer and has always dreamed of being published.

**This year, that dream became a reality!**

Gordon submitted a story about endings and new beginnings inspired by the changing of seasons and a caterpillar. His story was shared on Echoing Hills' website, Facebook page, and a bi-annual newsletter. Gordon was delighted to learn of his accomplishment during a surprise party in his honor.

**Echoing Connections** Throughout the year, Dawn brought Mickey, her two-year-old Shorkie, with her to work at Echoing Connections of Central Ohio. Mickey spent his days sitting with friends, playing ball, acting as a guard dog, and providing comfort. Dawn shares, "If someone is ever in pain or discomfort, Mickey immediately knows! He will sit on their lap or lay next to them to make others aware."
