

**Camp Echoing Hills** 182 campers joined us for a summer of adventures, old and new; joy and laughter; and lots of faith. Summer camp welcomed new experiences, including archery, axe throwing, and side-by-side rides, with the summer ending in **FOUR BAPTISMS** in the pool! Our travel program returned with our first trip to Pittsburgh in December. And we enjoyed mini-camp experiences during respite weekends.

**EchoingU** Students enjoyed continued growth in independent living skills — grocery shopping, money and math skills, cooking, baking, job skills, pet ownership, and more! There were many opportunities to explore their communities while also giving back. They loved having the opportunity to serve like Jesus while volunteering with local churches and food banks.

# Echoing Hills Annual Report 2022

When thinking about 2022, three words come to mind – believe, encourage, and inspire. Those we serve believe in their dreams, passions, and abilities — and those at Echoing Hills believe in them too! Team members encouraged them to learn and master new skills, chase after their dreams, and complete goals they set for themselves! And individuals inspired us every time they did!

Our mission is to revolutionize lives for those we serve, and we do; however, those we serve revolutionize our lives too!

God Bless You,

Total Operating Costs - **35,934,074**

Contributions to the Mission

Contributions - 770,983

Stewardship of Resources

Net Assets - 29,017,788

### MISSION:

We are committed to Revolutionizing Lives where people live, learn, connect, play, and worship.

### OUR PURPOSE:

Creating opportunities for individuals with disabilities to know and experience Jesus Christ.

**Community Living** Those we serve were active in their communities and throughout Ohio in 2022. We visited the state and several county fairs; national, college, and local sporting events; musicals, concerts, and plays; and more. We also spent time attending church and enjoyed when services came to us. No matter where we worshipped, we loved doing it with others!

**Echoing Connections** Collectively we enjoy starting our day with a daily devotion. This time allows everyone to hear His word and ground themselves for the day and activities ahead. Individuals enjoyed learning new meals to cook through a meal kit program, practiced their gardening skills, gave back to their communities through food drives, and more.
